

Church Magazine—August 2025

Dear Friends,

Here we are again at the beginning of a new Church session and we have so much to look forward to in the coming months. Here are a couple of things that are happening.

Vision Day

"Without a vision the people perish." Proverbs 29:18

On **Sunday 7th of September** we are holding a "Vision day" at the Church which is an opportunity to hear about what we are doing as a Church and to fulfil our Christ given mandate to live out our faith in Him. It is also an opportunity to ask ourselves where we can serve and help in the Church's witness to our parish. There are so many exciting opportunities to serve from Warm Spaces, LSM Connections Café, Babies and Toddlers, Messy Church, Home group participation, Sundays in the Welcome Team or teas/coffees etc .. I look forward to sharing this vision day with you and afterwards enjoy a brunch of pancakes with a choice of sweet and savoury fillings!

20 years of the new LSM building

It is hard to believe that it is 20 years since we opened our new building. We want to take time to thank God for the new building and all that has happened in and through it to serve Him and our community. We are holding a special thanksgiving service on Sunday 26th October with a guest speaker and lots of input from members of the congregation.

I must confess the last 20 years have whizzed past and it has been an absolute privilege to have been your Minister. Together we have known the faithfulness of Christ in some very challenging and also wonderful times. In a changing society and denomination we will continue to strive to bring the Good News of Jesus to our parish in new, old and often creative ways. We are a team and together we can give God a little but in His hands it can become much.

Aye, Jim

Community Development

Our Babies & Toddlers and Warm Spaces groups ran straight through until the end of June when we then took a break for the school summer holiday period. Both these groups are pretty well attended and it is a privilege to be part of a community where we support, laugh, and cry with each other.

We continued Messy Church also through April, May & June sticking with our theme of 'Encounters with Jesus'. These have been great opportunities to meet new people, develop new friendships and share the good news that God so loved each and every one of us that He gave Jesus to save us. This is the message that we must always keep at the forefront of our minds. A simple, short, sentence that is as broad and long, high and deep, as the love of God itself. This is what we have to offer our community. It is the pearl of great price Mt 13:45 – 46.

We also ran another After School Club at Our Lady's primary school working in partnership with the school, Letham4All, and Families Empowering Communities. This group was well attended and the young people loved the food, games, and craft sessions. It is also a great opportunity to work in partnership with other organisations, build connections and get to know staff and families from the local schools.

During the summer period we have run 5 Summer Holiday Day Trips. I like to get the people who are coming on the trips to decide where we go. Mostly there is a happy consensus and this year saw us visiting Carnoustie, Kirkcaldy, The Scottish Deer Centre, Lochore Meadows and Arbroath. These are great days out. The young families like outdoor pools, the sea, and lots of food and ice cream. The seniors prefer a coffee shop, a good lunch, and a stroll down a different High Street. I'd like to thank Letham4All for sharing their community minibus with us and I'm also just a little bit sad for those of you who missed out due to the limited seating available on the bus.

Finally, thank you to all of the volunteers and helpers who make all of these community works possible. God Bless you and your families. 😊

Neil

LSM Connections Café

We celebrated the 80th Anniversary of VE Day within our café on the 8th May, 2025. In addition to our usual menu, we served victoria sponge and jam tarts. We had music from the 30s & 40s era in the background and a wartime quiz was on the tables for everyone. There was also some wartime memorabilia including ration books, newspapers, identity cards, posters from that time and very heavy tin helmets!!, these were loaned to us from Viewlands P.S. — grateful thanks for these special items. Nearly 50 customers joined us on the day, which was lovely. Some photos are below -

All Welcome

We have been open throughout the summer, our sports hall has been set up for children to play in and our under 5s area has been well used while folks have been having a cuppie. We gave out Summer Special vouchers in the run up to July to say thank you to our regular customers but also for them to be given away to others who may not have ever been in our café. This proved very popular, over 70 people used the vouchers over the summer. We are going to be introducing a Loyalty Card for hot drinks soon, so watch this space!! Over July, we welcomed 419 customers, a slight drop from last summer but we have loved chatting away to our regular folks plus we've made new friends in our new customers. If you have never been into the café, please do give it a try. Our staff are wonderful and you'll be sure to enjoy a lovely coffee or scone!!

Tracey

Pastoral Care

We have been blessed with good weather this summer and the Pastoral Care team have been out and about visiting church members who may find it difficult to attend church regularly. We thank everyone who warmly welcome us into their home or care home and we love hearing your news and sharing our church news with you.

Thank you to the volunteers on the Pastoral Care team who make the above possible.

If you know of anyone who would benefit from such a visit please get in touch with Lynn McKay, Pastoral Worker or contact the Church office.

Blessings,
Lynn

BLYTHSWOOD CARE SHOEBOX APPEAL 2025

Last year 120 boxes for the appeal were supplied by Letham St Mark's Church. They became part of a consignment of 7835 boxes sent to **Ukraine** from the sorts in Perth and the surrounding area.

The filled shoeboxes from the Perth region are being sent to **Ukraine** again this year.

There are some practicalities we need to be aware of. The shipping is more costly and a lot stricter than other shoebox destinations. As a result we are not able to send cartons filled with various goods, clothes, blankets, hats etc. We can only send filled shoeboxes.

This year's appeal will launch with a Coffee Morning in Perth Baptist Church on Saturday 30th August from 10.00am – 12noon.

It is planned to have wrapped boxes ready in Letham St Mark's to be taken and filled from **Sunday 7th September, and returned, please, no later than Sunday 19th October.**

For the last few years, there has been a shortage of boxes for teens, boys and men, and we are being encouraged to consider that when preparing to fill a box. Thank you.

The main sort will be from Monday 10th to Thursday 13th November, at Perth Baptist Church.

If anyone would like to help at that or requires any further information, please speak to me or contact the local Blythswood team at blythswoodperth@btinternet.com

A checklist for this year is on the church notice board and also in this magazine.

LSM Ladies Weekend: Faith, Fellowship, Fun and Furry Friends!

On a beautiful weekend in April, 19 ladies gathered at the Cairngorms Christian Centre, Kincaig, near Aviemore. It was a thoroughly enjoyable weekend with time for fellowship, prayer, worship, laughter, relaxation, good food and much more. All set in the most beautiful Scottish countryside and the best sunny weather!

Our weekend kicked off with a very chilled Friday evening. We had the most delicious ‘potluck’ supper with lots of choices of hot and cold food. Something for everyone! We also had some lovely, sweet treats including a wonderful pavlova made by Val Gerrard. There was so much food that we had enough for dinner on Saturday too! We then reconnected with old friends and got to know new friends.

Saturday morning brought a time of reflection and meditation with a powerful message from our lovely guest speaker, Karlien Becker. Karlien led us on the story of the Woman at the Well.

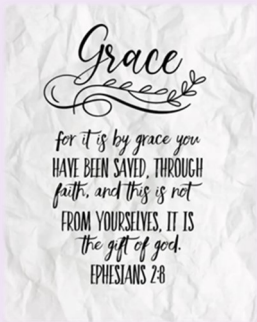

'Indeed, the water I give him will become in him a spring of water welling up to eternal life' John 4:14

In the afternoon we were free to choose how we wanted to spend our time. This included lunch and shopping in Aviemore; spending time at the centre reading; chatting and knitting; or going for a walk in our beautiful surroundings.

A highlight of the afternoon was a visit to Leault Farm to see a sheepdog demonstration. This was far more than a sheepdog demonstration. Neil Ross, the shepherd, was very entertaining and so informative. We got to meet the dogs, hold the border collie puppies and feed the lambs!! We also learned about the dogs’ training and gained an understanding about the commands Neil uses to control them. Each dog has its own set of whistle commands so that they can be individually directed. Absolutely amazing to watch. A couple of our ladies were privileged to get to shear the sheep with Neil’s help. We also had fun feeding the baby cow!

On Saturday evening, we took part in two fun filled activities. (I must stress at this point that all activities were entirely voluntary!) If you just wanted to sit and chill, then you could do just that! Doreen Brown led our first team game. Good names for this game would be the “Granny Pants Game” or “Fill Your Pants”! It was such a fun game where teams raced to put on 3 pairs of oversized “granny pants”!! I’ll leave the rest to your imagination, but, it was hilarious and certainly broke the ice! After a break for coffee and lots of sweet treats, Lynn McKay led us in the game “Who Am I?” We all had a sticky note with the name of a famous person written on our forehead. The aim of the game was to guess who we were by asking yes or no questions to the group. We had great hilarity guessing who we were and some of us needed a little extra help!

The weekend concluded with us attending the Alvie and Insh Church service at Kincaig Church. We were made very welcome and took part in an interactive service which focussed our thoughts on the meaning of Gods’ grace.

There’s so much to be gained in getting away and spending time with other Christian women of all ages. It was a great time of getting to know one another and spending quality time together as church family.

Faith, Fellowship & Fun !!

12 Hungry Men

The Men's weekend took place from 2nd - 4th May with 12 of us travelling to Kincaig near Aviemore and staying at the Cairngorms Christian Centre. Relaxation, fellowship and coffee were high on the list of 'activities' as we experienced fairly mixed weather over the weekend.

The highlight of the weekend was the teaching provided by Alastair Malcolm who joined us on Saturday morning to feed us some thought-provoking teaching from 2 Peter 1:1-4 around the theme of receiving and sharing our faith. This interactive session provided us with an opportunity to share how we first heard about Jesus and what made us choose to follow him. Another highlight was the fellowship over the whole weekend as we got to know each other through sharing our life experiences.

We took the opportunity to enjoy the wildlife and scenery in the area with walks to the picturesque Alvie & Insh Church building overlooking Loch Insh and to see the ospreys nesting high above the Loch plus some deer along the way. As we walked around Kincaig, we were moved to contribute to the local economy by enjoying refreshments at the popular Old Post Office Cafe Gallery.

Our 2 main meals were Pasta Bolognese on Friday and a BBQ on Saturday including barbecued bananas....thanks to Neil and Iain for buying and cooking the meals. We were fortunate to have Hennie with us as he introduced us to the delights of filter coffee on tap - we were high as kites for the whole weekend!

Evening entertainment included armchair football plus Jim's Quiz which provoked plenty of lively discussion. On Sunday morning, following our eggy breakfast, we trooped across to the church service at the Alvie & Insh Church hall next to the centre and sitting around tables, we participated in an informal service of worship, including group discussion around the theme of the service (mental health). We headed home after the post-service refreshments and catching up with some familiar faces. Overall, it was an excellent venue and a very enjoyable weekend!

News from the Beckers

The last few months have been very busy with applying and travelling to get a full-time post in the Church of Scotland. In March I passed my final review of familiarisation, and I was allowed to start applying for vacancies. I read many Parish profiles, wrote applications, and we went to see the different Parishes (got to know different parts of Scotland). I had a few formal interviews and had to preach for the nominating committees. I was chosen as Sole Nominee by North Carrick Parish in South Ayrshire. It went well and I'm called to be the Minister of Word and Sacrament at North Carrick Parish. My Induction is the 9th of September at Maybole. The Parish consists of three Worship places at Maybole, Kirkoswald and Crosshill. We are very excited to start our new ministry there. Please support us with your ongoing prayers.

Although we are excited about the new chapter in our lives, we are also sad to leave Perth. Over the last 14 months we have made a new home for ourselves in Scotland and got to know so many friendly faces and have been overflowed with love. Thanks for all the love, support and prayers. We will miss you but will hopefully keep in touch and you are welcome to come and visit us in Maybole.

At Letham St Mark's I was involved with the preaching, visiting members and was part of a homegroup. Easter time was a special time for our Letham Church family. I was also involved at Cargill-Burrelton Parish and Collace Parish. I led Worship services, did pastoral support and led assemblies at Burrelton Primary School. A special moment was the baptism of a family (grandmother, mother, brother and baby).

We were also fortunate to go and visit our family in South Africa during July. We saw our parents, my grandmother, our brothers, Hennie's children and a new grandchild. It was good to see everyone, and we had a blessed time, but it was also good to come home, to Scotland.

I want to close with the words of Ephesians 6:23 & 24 -

"Peace to the brothers and sisters, and love with faith from God the Father and the Lord Jesus Christ. Grace to all who love our Lord Jesus Christ with an undying love."

Blessings

Karlien and Hennie Becker

Supa Club

May I begin this update by thanking those who very generously gave to my appeal for money for the Letham School P7 away day to Lendrick Muir. We now have £500. As I mentioned the school really appreciates the event for it allows a few children who have never been out of Perth to experience the fabulous grounds of Lendrick Muir, and also our Regional Worker, Roy Osborne, to give two short "bible talks".

This year the day away is on September 12th. The bus is booked and once again has been paid for by the Souter Trust. Because the class numbers are high at approx 33, the cost has increased. Although Lendrick Muir give it to us at a reduced rate, we still pay £19.50 per pupil, which enables each pupil to have instructed activities from qualified instructors.

Last session varied considerably, both in numbers and their time availability. The theme was "Who is Jesus?"

Two female P7 pupils came on our P+K SU weekend to Alltnacriche and had a great time. At the P7 leavers assembly instead of us saying the prayers the two pupils prayed, which we felt was much more appropriate.

Above all we need your prayer as we plan another session '25-'26.

Thanks again!

Ruth Gunn (for the SUPA team - Sheena Gill and Anne Swan)

Growing Young Update

We held our first webinar on the 19th June which took the team through the Introduction to Growing Young initiative. It was great to see so many churches involved. There was a real emphasis on aiming to connect with younger generations (not necessarily just children — teenagers and young adults too.)

We believe that the foundations and some strong relationships are already here, we have our Youth Room, our Sports Hall and access to the use of the church facilities throughout the week. As a church, we should boost on this initiative together — and have a congregational effort.

Our team have just had a follow up meeting towards the end of July, we are in the process of thinking on our next steps. Our next webinar is on the 20th August and we, as a team are attending a conference on the 13th September which we are really looking forward to.
